

Curriculum Vitae

Amar Hussaini Abdulmumin

Gombe State, Nigeria

[amarhussaini72@gmail.com] [+2348137477803]

Personal Statement

A passionate Computer Science student with a strong interest in computational neuroscience, AI, and data science and web development. Proficient in Python, machine learning, and data analysis, eager to apply computational models in neuroscience. Seeking to enhance skills in neuroscience data analysis and neural network modeling.

Education

B.Sc. Computer Science (Ongoing) – [GOMBE STATE UNIVERSITY]

Relevant Coursework: Python, AI & ML, Data Structures, Neural Networks, Mathematics, DBMS, and Web development

Technical Skills

- Programming: Python, C, PHP, Python
- AI & ML: TensorFlow, PyTorch, OpenCV
- Neural Modeling: Brian2, NEURON, SciPy
- Databases: MySQL, PostgreSQL, SQLite3
- Web: HTML, CSS, JavaScript, PHP, React, Django

Certifications & Training

- Machine Learning & Python for Data Science
- Full Stack Web development
- AI & Deep Learning Bootcamp

Leadership & Activities

- Deputy Headboy.
- Public Speaking & Debate Club Member.
- Class representative(Secondary School).
